

**C**atching up is such a good way to usher in a festive season. This preview brings together a few engaging elements to heighten your festive mood.

We bring new works by three artists whose associations with us are very special:

#### **BUWA SHETE**

Taking further the mother-and-child theme he explored in Still Shakti his 2007 show here.

#### **OM SWAMI**

Whose collection Sattva Swadha in 2009 expressed the Sattvic imperative on canvas and who now renders Ganesh as an update.

#### **AND MOHAMMAD OSMAN:**

His Kole Basava, Kala Basava in 2010 brought us a jolt of colour, rejoins us to show his new Radha.

#### **A TALENT TO AMUSE**

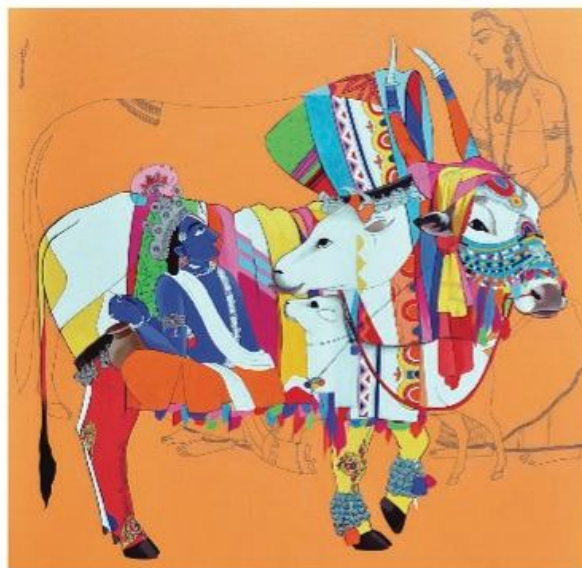

Our preview on Friday 25th will have once again, comedy as an added dimension: we'll be presenting premier Bangalorean standup Praveen Kumar, with over 300 shows to his credit, who the Times of India rated as one of the country's top ten stand-ups.

Art and comedy are a mix we have effectively attempted before, in 2004 when star funnyman, Vir Das made a memorably witty addition to a preview.

#### **IMAGE AND WORD**

This will also be when you can browse, for the first time, through our collection of art books, from the library of a dear friend and patron of the arts Ranee Vijaya. There are some rare titles and the collection will make interesting reading for every art lover.

The paintings will be on view till after Diwali.
