Folk figures.  
New world tribal.  
People in traditional  
occupations.  
  
In danger of  
disappearing but  
for their fierce face  
paint.

A palette now  
radiant,  
now subdued.  
Ornamentation  
immemorial taken  
several steps further.  
Butis fill in,  
add colour.  
A nod to pointillist  
technique.

Third eye if  
not third dimension.  
Goats,  
snake charmers,  
neat rows of bananas,  
Unending,  
painstaking detail.  
A painter for  
21 years  
admired by  
Mother Teresa,  
the Dalai Lama,  
Bill Clinton.
