THE ARTIST

Bharathi Senthilvelan

Bengaluru, Karnataka

Her paintings transform recollections of childhood games, small-town life and carefree moments into vibrant, semi-abstract compositions. Bold colour, simplified forms, pattern and playful spatial relationships give her works a distinctive sense of movement and optimism.

THE ARTIST

S Vijayaraghavan

Chennai, Tamil Nadu

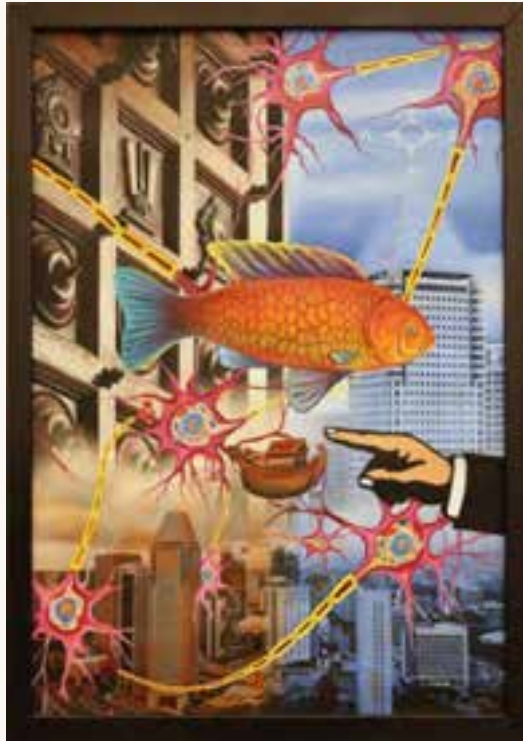

His works explore the conceptual and metaphorical relationship between self and society. His core body of work expresses the search for human life and exposes the dual forces, or binaries, operating in day-to-day life. Characteristic of his work are parallel encounters between conventional and unconventional elements, expanding into the realm of new media technologies.
